★ The New Ranma Project ★

This book was the second of the five books we had the orginel Shonen Sundey collection to work from, so the scans in generel look e bit better.

Most of this book, blissfully, went much smoother then meny. Much like AnimeBill with Hineko, Jason Bridgmon seems to have a thing for Akari, Ryoga's girlfriend. He picked these up the very first thing he did.

Part 4 wes done by Baladen, who only shows up in our project sporadically. Too bad, too, he's very good. But he didn't heve enough time to spere us so he only wes eble to do a few chepters.

Rajesh, who you should ell know well by now, picked up the Hineko story in the middle long after AnimeBill hed retired, which is why AnimeBill missed that one.

At the end you'll see ..sege, who I heven't mentioned much about so far. He wes one of our 'mid-range' translators. He joined about halfway through the project, end although he didn't do as many es the top guys, he contributed his share in steedy end unessuming feshion. I tend to focus on our reelly heevy duty translators, the ones that did whole books of chapters on their own, but everyone who pitched in to help wes essentiel to our success. Like Doug_W, who you'll meet in a few books, not everyone who joined could put their lives on hold to help us, but they ell did their best, contributing the best they could et the time, end I went to use this space to thank everyone who took part. You turned this crazy idea of ours into an amazing triumph. ^_^

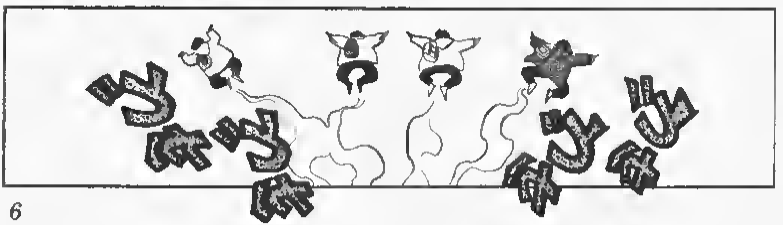
That sure was a great match, wasn't it?
Yup! Sure was! Glad I made it after all!

Huh?

What the???
A GIANT PIG!?



What? A giant pig is responsible for attacking all the guys around here?
I'm surprised it hasn't come after you yet Ranma...
Hmm, how odd...
I mean, half our class has been beaten up by it so far.
What's that pig's beef with us anyway? I never did nothin' to no pig!
Akane...
Finally I've found my way back again!
I must apologize for the souvenirs, they're a bit contrived this time
Surume (dried squid)
Kikurage (wood ear fungus)
Dango (meatballs)
Do you understand what these gifts mean?

You don't? That's understandable Coming from me you wouldn't expect this...
SU-rume... KI-kurage DA-ngo...
It says "Suki Da" (I love you)
Alright, enough rehearsing!
Quite a clever confession if I do say so myself.
Hi Ryouga! Welcome back to Tokyo!
Akane! I-Impossible! Have you been there all this time!?

What do you mean?
No, I mean to say that is...
Su...
Su...
Wow! That's so nice! Surume and these other things too? For me? Cool!
Thanks Ryouga! See you later!
Good bye...
Yo! Ryouga! What's up?
You made it back again. I'm a little impressed!
Oh, sorry I didn't think are you
under a lot of stress lately?
And why would I be?
Well, for one thing, there's been a wild pig attacking people lately...
And just who...

Woah! Here I was just concerned about you!
...are you calling a PIG?!
Hey! Get back here, Ranma!
Attack Katsunishiki!
Huh?

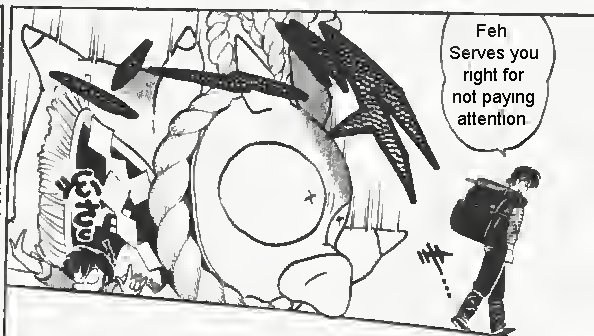
ゴオオ

Oh Katsuni-shiki!

That must be the giant pig everyone's talking about!
ブヒブヒブヒ

ハーはひ

ブヒ



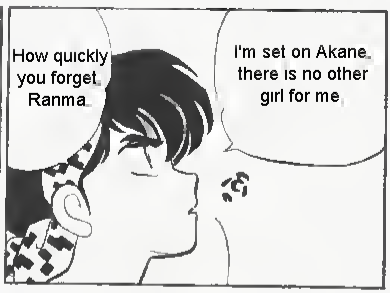
Feh Serves you right for not paying attention
ゴロゴロ

Um... Excuse me...
You... You beat him! You won!
?
Please read this immediately!
What's this?

Well. See you again!
Let's go!
What's her deal?
What the?!
Thi- This is a
Dear sir, I love you Please go out with me It's love at first sight
-Akari Unryu
Hm?

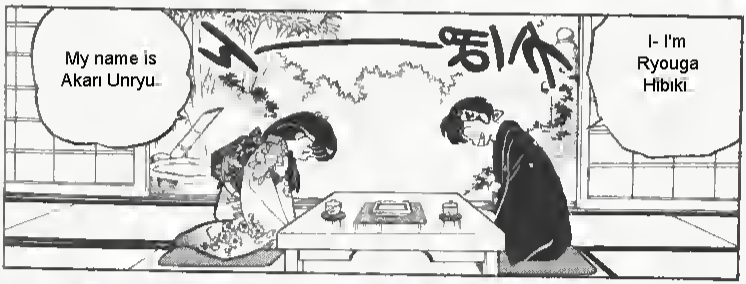
Is this what I think it is...?
Could it really be...?
Hey, isn't this a love letter?
Don't say it so blatently, you jerk!

So you're happy, right?
Feh.

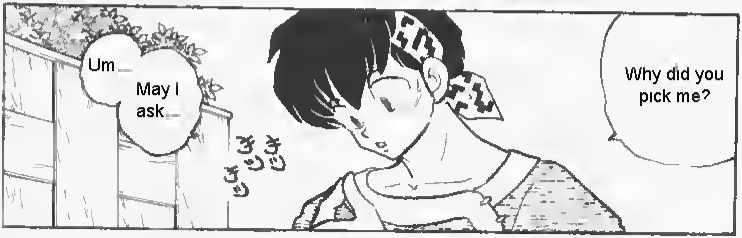


How quickly you forget, Ranma.
I'm set on Akane. there is no other girl for me.

Um. hello again.
Hey! What's up?



My name is Akari Unryu.
I- I'm Ryouga Hibiki.



Um...
May I ask...
Why did you pick me?

Hy house is a Sumo Pig Dojo. My family has trained champion Sumo Pigs for many generations.
And this is our 14th Champion Katsunishiki.
My grand-father said before he died
...
Akari, find a strong man to marry.
I won't allow you to marry any man who can't beat Katsunishiki
This is my grand-father
Well, he certainly did say it before dying

But, there was not one single man who could beat Katsunishiki...
After so many years of looking, you finally decided that ANYONE who could beat your pig was OK?
You can't be serious can you?
Y- You're wrong
Here, read my diary
This will prove it to you, for sure!
I Love Ryouga
Akari + Ryouga
I've loved you long before you dueled with Katsunishiki...
Hey aren't these all dated today?

So long have I been lost in the winter of loneliness.
Can this at long last be a flower of love breaking through the ice?
CAN THERE REALLY BE A SPRING OF LOVE FOR ME?!
Are you sure? Am I the right one?
Oh, Ryouga!

When we first met I knew it had to be you and only you.
Is this a dream? Such kind words from a girl for me...
Strong, like a pig...
Robust, like a pig...
Gentle, like a pig...
Smart, like a pig...
Handsome, like a pig...
Refreshing, like a pig...
Cool, like a pig...
It was a dream for me to meet such a pig-like man.
Ryouga, what's wrong?
Whew.

The spring of my happiness was fleeting
Once more I am cast back into the long cruel winter
What's wrong?
I'm sorry, I must leave on a long journey.
Farewell.
Ryouga! Wait!
WHY! At least tell me Why?
Those were complements?
Um, what could I have done wrong? Did my complements offend him?

Ryouga Hibiki
My first love
More perfect than any pig I've ever met...
He was strong and cool, passionate yet tender...
He excelled at everything, even though he was a normal human man.
Let me guess, you're a die-hard pig lover, aren't you?
Yes, already I love-love- love- love pigs so much I can't stand it!

But now, I've devoted my life to Ryouga!
I just can't figure out why he hates me so and even ran away!
Hm
It's not like she was trying to make fun of Ryouga she doesn't have any idea about that
Tell you what Let's cooperate
Really? You mean it?
Only because Ryouga is generally a friend of mine
Thanks so much! You're just as friendly as a pig!
This winter of loneliness has fallen on me again
I must go on a long journey
At any rate, I've just got to find that jerk Ryouga and bring him back...
...then I can work on patching up the misunderstanding

Hey Ranma!
P-Chan's come home again!
ぶたぁ
ぶたぁ
Wow! What a cute little pig you have!
?
Oops!
P-Chan? What's wrong?
ぶたぁ
That's the first pig that's ever hated me.
Um, you wouldn't be
Ryouga's girlfriend? Right!? Right!?

I'm Akari Unryu, and this is our 14th champion sumo-pig, Katsunishiki.
I'm not formally going out with Ryouga yet...
Wow Ryouga sure is smoother than he lets on getting this cute of a girl to go out with him before we knew it
I thought you were going on a "long journey" to warm your cold heart...
Hmph
And just what is going through your mind Ranma
Bringing that girl here of all places?
All that aside, she's really fallen in love with you
Feh

I can't believe anyone could ever call another person a pig so much...
However...
Akari Unryu really really loves pigs so it's only natural for her to...
And just who are you calling a pig!?
...call you a pig
Ryouga, you sly little devil!
You should have introduced us to this cute girlfriend of yours sooner!
Ryouga... welcome back from your journey already ?
Akane!
You're got me all wrong!
I don't have any girlfriends right now!

Oh Ryouga don't be silly! This is nothing to get embarrassed over!
I'm so happy for you to have found yourself a girlfriend
You always seemed so lonely, wandering around by yourself
As your friend, I was beginning to worry about you
Hey, it's no use playing dead
ドド
ドド
ドド

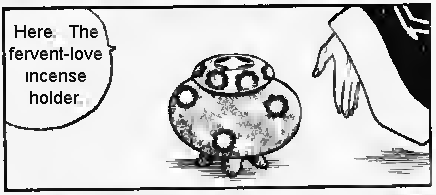
Here. Homemade cookies and a handmade sweater, just for you.
This feeling again. What is this feeling that warms my heart?
It's love you idiot!
Love?!
Ah! Homemade cookies!

Ah! This handmade sweater!
She's just teasing me! I can't take it anymore!
Ry- Ryouga
Damn it all!
Oh no!
Ryouga. Could it be that...? Are you a...?

Do you think Ryouga might be a pig-*hater*?
If he is, I've never heard him say anything about it...
Hmmm...

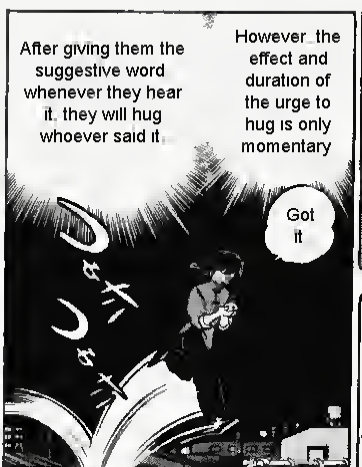
Cat Cafe
A drug that makes one give and accept unconditional love?
If only there was such a convenient thing...

Shampoo would have used it on Ranma a long time ago.
Hold on. I might have something that'll work.
Nyan



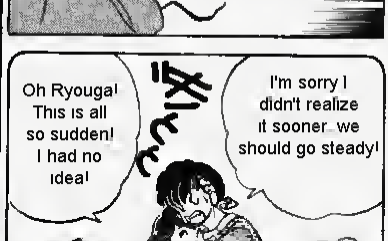
Here. The fervent-love incense holder.

Tell me more.
Make them smell the incense and then give them a suggestive word.



After giving them the suggestive word whenever they hear it, they will hug whoever said it.
However, the effect and duration of the urge to hug is only momentary
Got it

This is the perfect tool for the job!
Ryouga will have to go out with her now!

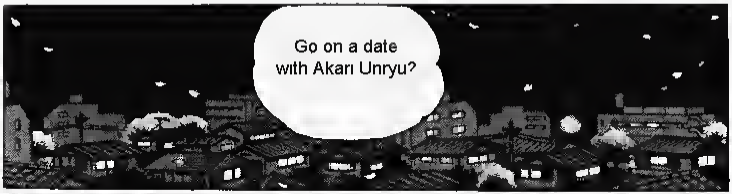


Oh Ryouga! This is all so sudden! I had no idea!
I'm sorry I didn't realize it sooner, we should go steady!

Kyushu? Okinawa maybe?
I'll go someplace where its warm.

Although a hot climate won't melt away the eternal winter that has befallen my heart.

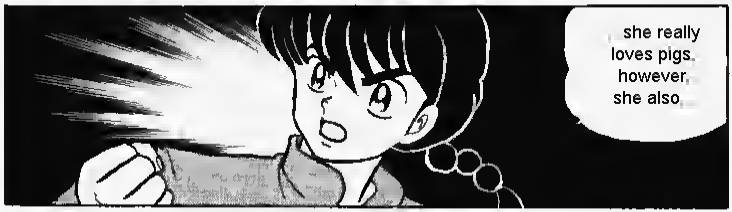
Now for a word. Hmm...
What word could I pick that she's sure to say? Hmm... Of course!
PIG.
Tonight's entree is "pigs in a blanket!"
I LOVE YOU!
Great! It works!
Yo, Ryouga



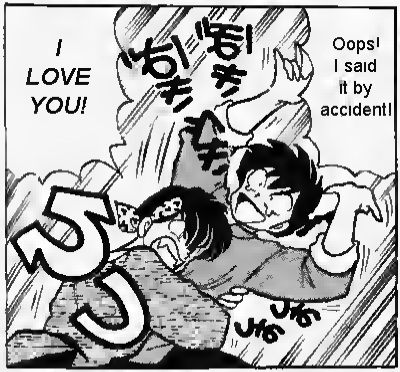
Go on a date with Akari Unryu?

What on earth are you doing dragging this out so far? Someone's going to get hurt

At any rate
I'm going to say this so you get it



she really loves pigs, however, she also



I LOVE YOU!
Oops! I said it by accident!

In any case

What are you saying?
let me rephrase this and say it again

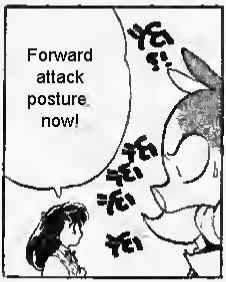
Akari Unryu is in love with the person, Ryouga Hibiki.
At least see her once more and ask her how she feels.

This is the time and day of your date.
Take it.
So...
Do you see what I'm saying?

Really?!
Ryouga will go on a date with me?!

Yeah one week from today
In one week...

Katsu-nishiki! Come!

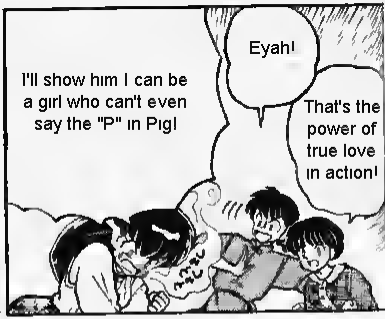


Forward attack posture now!

Please, Katsunishiki, do this for my sake! If you truly want my happiness, you must!

ぽぽぽぽぽ!
Now wait just one second...
Ow!

Now that I know that Ryouga hates pigs...
I too shall learn to hate them with the same passion he does!



I'll show him I can be a girl who can't even say the "P" in Pig!
Eyah!
That's the power of true love in action!

Meanwhile... Ryouga Hibiki is approaching Aomori...
Where the heck is this date supposed to be again?

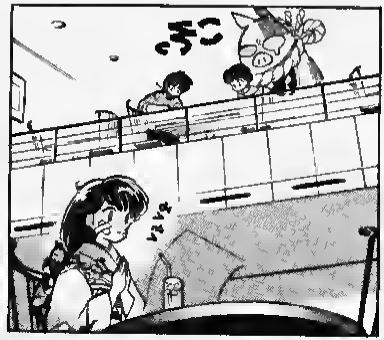
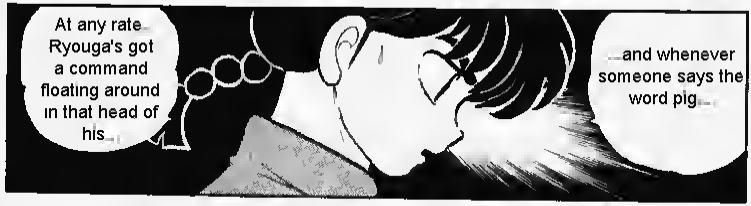
The day of Ryouga's date with Akari arrives.
Ryouga, please come soon. I'm so anxious to see you again!
I've done a lot of special training for you because you hate pigs.
おしおし
Now I, too, am a passionate pig-hater!
I hate them so. I truly hate pigs now!



ぶひ
ぶひ

You did what to Ryouga?

I gave him a subconscious command but if she keeps this up it's worthless



At any rate Ryouga's got a command floating around in that head of his
...and whenever someone says the word pig...

I LOVE YOU!
ラブーー!!
ぶひぶひ

Huh? What in the world am I doing here?
Hey there Ryouga Nice to see you again
ぶひぶひ

A- Akane what are you doing here in Aomori?
This is Tokyo

Wow! You actually made it on time for your date without being late or getting lost!
Well, you know, it's bad to keep a girl waiting right?
Well, shall we go see a movie first, then?
Hey stupid! Akane isn't your date!
Hmph. I guess this date is unavoidable now.
Look, you're already here, you might as well go
I just can't lie to myself.
My heart is set on Akane.
Ryouga! You came!
What's up?
Here you go. I got you some souvenirs from my travels.
For me?

I'm so happy...
Wow, she's cute...
If this girl...
If she'll forgive my pig form...
She could be the one I...
Yeah, yeah, I heard that one before.
Heh heh, I still like that one!

I'm so hungry. I could eat a pig!
If you do that much you'll look like a pig too!
I'm vegan. I can't eat anything with pig in it.
I've had enough pork buns. let's have something without pig in it today
I LOVE YOU!
I- Impossible..
Ryouga is a pervert?!
This was all part of your great plan right?
Heh we should leave those two alone now.
Hold it.

What did you do to me?
What's done is done it's after the fact now
It's ok Ryouga
I love you Ryouga just as you are
Akari... are you sure?
Wow.
She's almost got him just a little more!
Yah! This posture! Could it be that she wants...

Will you quit it with the crackers, already?
Let's go home now Ranma They've got it under control.
Yeah
Through all my travels, I never thought...
...that I would be greeted by such a brilliant light at the end of the tunnel!

This is the happiest day of my life! I'll never forget it!
...aaah
Heh.
Eyah!
Hm?
P- PIG!!!
Oh!
hehe

No! Don't come near me pig!
I hate pigs now, more than anything! Keep away pig!
Oh no! Are we too late?
P-Chan!
Down pig! Take off pig! Get lost pig!
Oh, it's just no use!
I can't hate pigs! I tried so hard but I can't do it!
Ryouga...
Perhaps he hates me...
He went home without doing anything...

Weird He wouldn't have left without some good reason
Yeah, that's probably it
Hey Ranma! Wait up! Where are you going?
Let's go!
Um, excuse me...
Ryouga, you gotta trust me on this one, ok?
Ryouga?
In you go! One nice hot bath coming up!

You idiot! What are you thinking?!
Ryouga?
Huh?
Oh, Ryouga...
He wasn't just a normal man after all...

I thought she'd do a little dance of joy
I can't believe you doing something as desperate as this

After all, you don't want a man like me...

I'm not sad...
I'm used to it now Long, lonely journeys by myself

Ryouga...

Ryouga I'm sorry, I didn't think...
Hmph

You are sad, aren't you?

Hm?
!

What?!
Hey, she is doing a little dance of joy!
Really?! Can it be?!
You are my ideal man! There can be no other but you now!

There are no longer any obstacles to our love!
No more perfect a match could ever be found!
Heh
Ryouga? What happened?
They've got me to thank for it
They look happy together
Well, you know what they say, every pig has his day!
I LOVE YOU!
ぐい
おっぱい

Dear Ryouga, whom I adore
That ingrate Ryouga! He should be thanking me!
Please understand my feelings - I ran away when I thought you might already have a loved one
You don't get it, do you? That's why you got hit!
But I'm getting my courage back up enough to send you a Pig Sumo ticket
I'll wait for you forever. There is no one else but you
- Akari Unryu
Maybe one day, you will meet again...

maybe you should be more discreet while eating
Oh, I'm fine. Stop worrying so much

Ever vigilant in the titanic struggle against troublesome students.
Saotome!!! What do you think you're-
sasasa
It's a wiener octopus! Yummy!
Woo hoo!
CHOMP

Aha!
I can't believe you! Reading manga in class!
Hey! Hurry up and give it back!
Just a few more pages...
Ooooh! A Game Boy! Hand it over!!!
Aaugh! You used up my batteries last time!
Hey! Don't eat them all!
Oh, that's so cuuute!
Gimme
Ack! No!
Class is over? Oh well.
Let's go home, guys.
Wait a sec!
Happo Fifty-Yen Satsu!

Heh!
Don't even think about escaping, boys
The Happo Fifty-Yen Satsu.
It's a technique that allows a person to suck the battle aura of foes through small change and other round holes.
Aha!
You lose, Saotome!
Happo Fifty-Yen Satsu Seal!
Hey, look! It's a top! Yay!
POOF
It's over. Let's go.

Saotome!
This is all your fault! You always disrupt my class!
Maybe it's because you can't teach, child-woman!
Sigh
If there was only a way that I could be an adult all the time...
...I would be able to fulfill my dreams and become a respected instructor...
badoom badoom badoom
What's that!?!

BADOOM
BADOOM
From that area... a terrible fighting spirit!
I have to find it!
Where?
Where is it?
Rare Fish
BADOOOOOOM
The rare fish display! It's coming from here!

Here you go, little girl. Try to pick up a rare fish with this.
AAAAH!

The Next Day

RRRRRRIIINNNNGGGGGGG
Hinako-sensei's teaching from first penod on?
No work for today...
Good morning, boys and girls! I hope you've all been behaving!
Huh?

Listen, everyone.
What's with the goldfish bowl on her desk?
In the past I've overlooked most of the questionable behavior here, but I realized yesterday that...
I must uphold the sacred trust between teacher and student. In other words, I'll be really strict from now on.
You got that, Saotome?
Yeah, sure.
Happo No-Yen Coin Return!

The Happo No-Yen Coin Return.
Using this technique, one can channel the previously-absorbed battle auras of others into a tremendous bolt of energy.
Heh
Ow
What the-
She used all of the sucked-up energy... but she's still in woman form!

This can't be happening!
Hmph
snap
snap
snap
Sorry, Saotome. That won't work any more.
You'll never get the best of me ever again!
No! He escaped! What a troublesome boy!
Escaped!? I wouldn't quite call it that.
We're in trouble.
RRRRRRIIIINNNNNGGGGGGGGGG
Miss Tendo, a word with you

Miss Tendo, I've seen the way that Saotome acts around me. I wonder if he truly hates me
Hinako-sensei
I thought that if I found a way to become an adult all the time
he would respect me and accept my instruction properly
gloomp gloomp
Um, sensei...
why have you started carrying around that goldfish bowl?
Don't worry about that, Miss Tendo
There's something more important on my mind
Pardon?

I dropped my purse on the way here
You're paying for us both, right?
Umm
This ain't good
caw
caw
You'll never get the best of me ever again!
But for Hinako-sensei to stay an adult even after using the Happo Change Exchange
she must have access to a massive amount of fighting spirit to fuel her
I can't just back down now! But I can't beat her if she can fry me like that over and over again.
Wait a sec- that goldfish bowl!
It has to be the key, but how?

Hinako-sensei's purse?
TENDO DOJO
I found it when I went shopping this afternoon
Hmmm It does have her name on it
She must be worried sick about losing this. Better return it

At Hinako-sensei's apartment
Made it
No mistaking it - this has gotta be her room
Heh just step in, grab the goldfish bowl, and then I'm back in charge!
Aaugh!

This is...
...such a pigsty! How could someone live like this?!?
Damn
Can't find anything in this big mess Where is that goldfish bowl?
ploink
Uh oh

What? My room is clean? How can this be?
I don't think I hired a maid
Don't look up! Don't look up!
shuffle shuffle
Whew! I'm tired.
Damn it!
I went to all the trouble of cleaning her room and does she respect that? Nooo
boink
What the hell am I doing?
I'm after that goldfish bowl!

Why hello, Saotome. Would you mind telling me what the hell you're doing here?!?!

Uh...
Miss Tendo... please help me...
I was taking a shower, and Saotome... he just...
...DW
boggle
RANMA...
GRRRR
Akane! Wait!
I can explain!

Thanks, Miss Tendo
He almost got my goldfish bowl away from me
Hm?
Oh, so you didn't try to have your way with her?
Of course not! I was gonna tell you why I was here but you pounded me first!
Hinako-sensei?
What kind of fish are those, anyway?
These are...
Siamese Fighting Fish
Siamese Fighting Fish?!?

Siamese Fighting Fish- fish that are bred solely to fight.

The harshness of nature has inured these titans to suffering. It is said that when two males square off, the fighting spirit given off is virtually infinite!

The fighting spirit given off by a single Siamese Fighting Fish is equal to:

three mad dogs!

seven (count 'em) seven fighting cocks!

or even two champion sumo wrestlers!

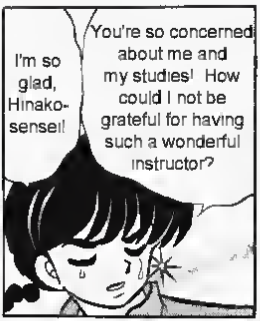
And that limitless fighting spirit...

...is fed directly to Hinako-sensei via the round mouth of the goldfish bowl!

What an ingenious ploy! What a frightening device! I am truly screwed!

Heh
I almost pity you, Saotome
You're like a moth attracted to a flame and you're about to get burned!
What?
A textbook? No! It was a trap!
JUNLIZEI
ENGLISH READER
Oh yes. And you fell for it. You see, I have a dream, Saotome
I teach, and you learn
You enjoy learning, don't you?
So think of this as individual instruction for a remedial student
Be grateful that your instructor is so kind
Grrr
JUNLIZEI

Hm?
sniff *sniff*



I'm so glad, Hinako-sensei!
You're so concerned about me and my studies! How could I not be grateful for having such a wonderful instructor?

Saotome
you finally understand

You're my star pupil!
You're my favorite teacher!

splash

POOF
Heh
Let's see you try to suck power from the fish through this square mouth, child-woman!

I'll beat you yet, Saotome!
Never! I am the king of Old Maid!

Grr... dam!
Bwa ha ha ha ha!

Wow, it's getting really late
Catch ya later, teach!
Wait a minute, Saotome

What about your English lesson? You won't sneak away like last time!
Happo Five-Yen Satsu!
Ah?
Well, I put stickers on all of the small change in the room Sorry if I blocked up those holes
No fair! No fair!
Aaugh!
I actually believed you! You're terrible!
Oh, damn! The fish scoop!
Who's laughing now, student? Somehow I didn't truly believe your change of heart
heh heh heh
What? You didn't fall for it? But I was melodramatic and everything!

Happo Pissed-Off Teacher Rapid-Fire No-Yen Coin Return!
Now then, let's get to work, shall we?
Hmph
Saotome, we're here to learn, not rest. Wake up!
smak smak smak smak smak smak smak
Hinako-sensei, I don't think he's sleeping
Now that you're well rested, let's work.
grumble grumble
Ranma
Why don't you try listening to Hinako-sensei for once?

She wouldn't go to all this trouble if she didn't care about your welfare as a student.
Hinako-sensei really wants you to learn. So just give her a chance, all right?
Well, that is...
I'm not really that-
Aw, hell.. She'll kill me if I don't.. Might as well try looking at this..
That's the spirit! Aren't you happy, Hinako-sensei?
"snore" ...mmph...
Hm?
She's sleeping?
Chasing you around takes a lot out of a person
Oh, I get it It's already way past bedtime for little kids
Watch your mouth, Saotome I'm an adult!
You might want to wipe that drool from your mouth, sensei.

Well then
I had expected something like this might happen. Witness my cure for drowsiness!
Clothespins?
I'm a lion!
ROAR
No. You're a suitcase.
Sensei, doesn't that hurt?
Ah, I feel much better.
Let's watch an English lecture tape, shall we?
Doraemon
Not again!
I can't believe it! The wrong tape was in that box!
So why did we watch the entire tape?!?

Saotome, I sense that you're angry about something.
What happened to you teaching and me studying?
Quiet, Saotome. Now I'll read and you translate.
scribble scribble scribble scribble
Wait a sec Why are you writing in the book?
Ack! Death Banana!
See? A flip book!
Don't doodle in my textbook!!!
What am I doing?
Deep within my heart I want to study...

...but my body won't cooperate!! What kind of teacher does such a thing?
Hinako-sensei stop playing with that toy and tell us what's going on!
Hmmm... now I get it! The stress from being an adult for so long...
has made your body want to return to child form!
Hinako-sensei...
Thank you for doing this for my sake but you must stop for your own sake
Saotome...
You've worked yourself pretty hard today, Hinako-sensei.
Why don't you take it easy? None of us would mind.
POOF

You're right, Saotome How about some backgammon?
The next day
Good morning, boys and girls I hope everyone has been behaving
As I said yesterday, I'm going to be a lot more strict Don't worry- we'll learn a lot together!
Self-Instruction, yet again Sigh
Can't really blame her She was relaxing all night

The tree says "Kuno + Pig-tailed girl"

Heh.. even when in combat my feelings emerge...
Next day
天道道場
A demon who asks for dates?
Yes, and it gets even more strange.
He only attacks girls with pigtails.
.. and he showers them with gifts.

Hrm...
Hey, Ranma
A demon who always asks for dates...
...doesn't it sound familiar?
Yeah ...
I was thinking the same thing
Huh?
It's
It sounds like Kuno..
DATE WITH ME !!

Geez —
I never thought he'd stoop so low...
Knock it off Kuno!!
Ah! The pig-tailed girl!
Aah!!
ちゅっ

Back at the Kuno residence
You've been possessed by a cherry tree?
And you can't get out?
No... it seems like I have some trouble leaving...
Well, we're rooting for you
This is an ancient document that has been passed down through generations in the Kuno family
The tragic legend of the Man-cherry tree.
A long time ago there was a man To amuse himself he carved the name of his belaved on the trunk of a cherry tree.

The cherry tree got very angry and absorbed him.
It made a sacrifice of the girl whose name was carved on the tree.
Oh, a sacrifice...

Hm.
That is is why I'm asking.
Will you give your life for me?
ガシ

Hey, where are you going?
I'm sorry, but...
I really don't feel like being some kind of socrifice...
What's the matter Ranma?
There is some kind of barrier
Oh!
It says here...
...that the curse will keep the sacrifice close to the cherry tree at all times.
What?!
I am sorry
It's your fault, moron!
But don't you worry pig-tailed girl!
Oh?

Hey, guys
It says here, that if you two go out on a fun date, the sacrifice won't be needed
Is that so?
Please forgive me Akane Tendo, try to disregard my actions tonight
Sure, fine, whatever...
Well, wanna grab a piece ta eat and look at the cherry blossams?
Ah! A party!
We will help you.
Wow, a cherry-tree with a human face.
He..he, he! Aren't we having fun Kuno?
Hmm...
I feel like I am being on display here.
This is not fun.
Eh..

Timber!
Whot the hell ore you doing?
Ah, let me rest my head in your lap
Ah.. loying like this, feeling
the pig-tailed girls strong thighs
Agrh! I con't feel o thing when I'm like this!
Um.. yes, I got it..
So, whot do we do?
There is only one thing left to do
You hove to kiss me!
You have no choice
The only way I will enjoy myself is by a kiss from your lips
Hrm..

He, he, he! With a face like this, you must have fun!
Oh, you mischievous girl!
I am going to get you!
Tee he he he he! Catch me if you can!
Oops

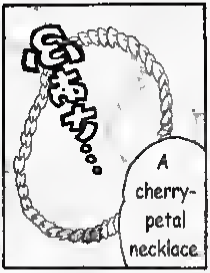
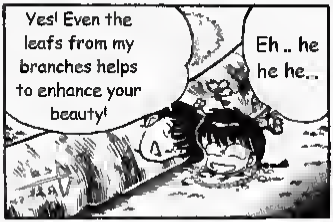
It's the curse!
It forces them to keep close to eochother at all times!
Ah! Together again my love!
Right lovely..

He, he. This date is getting really serious
I don't know about 'serious'
Oh, ho ho ho ho ho ho!
He he he he he!



A cherry-petal necklace

A present for you
Ooh! How lovely.



Yes! Even the leafs from my branches helps to enhance your beauty!
Eh .. he he he..

Well aren't we having a great time?

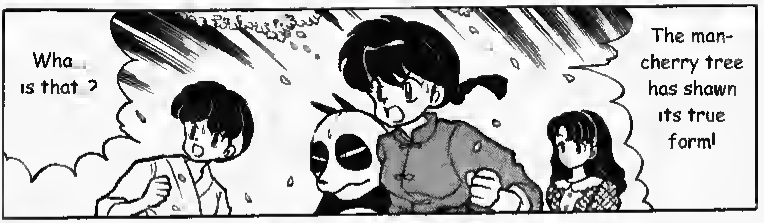
No, not really .

To feel completely sotisified I must feel your warm lips against mine!
I thought I made it clear to you

No Hanky-panky!!
!?
Be careful Ranma!
The spirit seems angry

You... infidel...
Eh?

Cheating the demon of the man-cherry tree...
Letting the sacrifice make a fool out of me...
...ぶるぶる



Wha... is that ?
The man-cherry tree has shown its true form!

Sacrifice-girl!
The only way you will avoid my wrath now is if you...

Kiss me!
Grr..
Uh, wait..
The date wasn't that bad after all.
See ya.
Pretty weak-spirited for a ghost...
Well, considering it was Kunos mind it possesed...
Good thing you got out of that tree Kuno.
I'm burying him before he wakes up...
